

## Clamp Desk Mount (DMC)

A variation on the standard Desk Mount, the Clamp Desk Mount can be attached to almost anything including tables, desks or tray edges. The surface must be between  $\frac{3}{4}$ " and  $1\frac{1}{4}$ " thick.

### KEY FEATURES:

- Precisely position a device at any angle
- Clamp to any suitable surface
- Manual handle allows it to be moved without tools

### DEFAULT CONFIGURATION:

- Super Clamp fits tables  $\frac{3}{4}$  inch to  $1\frac{1}{4}$  inch thick
- Quick Release Base – TUSB

### CAUTION:

- The Manfrotto Super Clamp is rated for 8 lbs. large/heavy devices positioned away from the clamp should not be used with this mount
- Care must be taken to ensure the clamp is properly installed prior to attaching the Clamp Desk Mount and device
