

## Style 17 Desk Mount (S17DM)

The Style 17 Desk Mount is an updated version of the original DM Desk Mount. It consists of a solid base with a newly designed adjustable arm and dedicated large faced Quick Release Base for attaching the device.

### KEY FEATURES:

- Sits on a table or desk surface to support a device
- The integrated DAESSY quick release base is angle adjustable
- Supports devices up to 15lbs/6.8Kgs
- Height adjustable up to 9 inches\*

### DEFAULT CONFIGURATION:

- Standard U-shape desk mount base with rubber feet
- Quick Release Base – TUSB

### CAUTION:

- With large devices it is important to ensure the device is within the base area of the Desk Mount to reduce any tendency to tip.
- It must be recognized the Desk Mount may slide about some surfaces when the device or touch screen is directly accessed.

\* Maximum height measured from table surface to middle of quick release base.
